

Eilon Caspi Ph.D.

Gerontologist & Dementia Behavior Specialist
Founder & Director, Dementia Behavior Consulting LLC

Website: <http://dementiabeaviorconsulting.com>

Email: eiloncaspi@gmail.com

Tel: 617-634-9091

Minneapolis, MN

Education

2010 – Ph.D. in Gerontology – University of Massachusetts Boston (GPA 3.89).

Doctoral Dissertation: Preventing agitated behaviors and encouraging positive emotions among elders with memory-loss in an assisted living residence. Chair: Frank G. Caro. Committee members: Donna Haig Friedman, Ph.D., Ann C. Hurley, RN, DNSc, FAAN & Jeff A. Burr, Ph.D.

2003 – M.A. in Gerontology, Haifa University, Israel (GPA 94, Scale 0-100)

1999 – B.S.W. Tel Aviv University, Israel (Aging track) (GPA 87)

Continuing Education

1999 – 2001 – Eighteen-month program (420 hours) in Administration of Homes for Elders, Bar-Ilan University, School of Social Work, Unit for Continuing Education

Professional Experience

2015 – Present. Founder and director, Dementia Behavior Consulting LLC.

2013 (Jan) – 2015 (March) – Ocean State Research Institute, Providence, RI. Postdoctoral Fellow, Geriatrics & Extended Care Data & Analyses Center (GEC DAC), Canandaigua VA Medical Center, Canandaigua NY. Mentor: Orna Intrator, PhD.

2010 (Dec) – 2011 (May). Consultant. Tzahalon Geriatric Center, Jaffa, Israel. Led the professional aspects of reopening a special care unit for low-income elders with dementia and implementation of culture change practices.

2010 – Postdoctoral Fellowship. Kunin-Lunenfeld Applied Research Unit, Baycrest, Toronto, Canada. Worked on Project BRAVO (Baycrest Research About Volunteering in Older Adults). Supervisor: Dr. Thecla Damianakis (University of Windsor). Principal Investigator: Dr. Nicole Anderson.

2004 – 2008 – Research Assistant, UMass Boston. Project: Motivation and Barriers for Productive Aging – The Lifestyles Study. Supervisor: Frank Caro.

2001 – 2003 – Social worker. Nursing unit and special care unit for people with Alzheimer's. Tzahalon Geriatric Center, Keshet Association, Jaffa, Israel.

2000 – Social worker. Department for Social Services for Elders, Tel Aviv Municipality, Israel. Responsible for a neighborhood with 250 low-income elders primarily from Yemen.

1999 – Private tutor for a person with schizophrenia (met twice a week for one year).

1998 – Coordinator of 36 college students as part of a Big Brother and Sister Tutoring Program for socio-economically deprived children from Hatikva Neighborhood, Tel Aviv, Israel (Tel Aviv University).

1995 –1997 – Private nurse aide for frail elders and I.D.F. disabled veterans.

1994/5 – Nurse aide. Nursing unit at “Maccabi Residences,” Ramat Hasharon, Israel. The same nursing homes where my grandfather lived in the final years of his life.

Teaching Experience

Spring 2012 – Instructor – Course title: Psychology of older adults with memory-loss, Alzheimer’s disease and other dementias. Psychology Department, UMass Boston. To access the course syllabus, go to: http://dementiabehaviorconsulting.com/?page_id=357

Fall 2006 – Teaching Assistant – Qualitative Research Methods course. Instructor: Donna Haig Friedman, Ph.D. Teaching assistant evaluation is available upon request.

Expert Consulting Services

July 7, 2017 – Guiding a medical student in qualitative analysis of data from Buddy Program called **Partners in Dementia** (14 medical students paired with people with MCI and dementia and their family care partners for two 2-hour visits per month over the course of a year). A partnership between **University of Minnesota Medical School and HealthPartners’ Center for Memory and Aging**. Coordinator: Dr. Michael Rosenbloom.

March 2017 – Present. Consulting **Alzheimer’s Society of Canada** on development of educational resources on prevention of distressing and harmful resident-to-resident interactions in dementia in long-term care homes. For Mary Schultz, Director of Education, Alzheimer’s Society of Canada, Toronto, Ontario, Canada.

Invited for 1-day meeting with researchers, practitioners, and care advocates to develop a research agenda on resident-to-resident aggression in long-term care homes in Canada. This first-of-its-kind event was funded by the Canadian Institutes for Health Research and hosted by the **Institute for Life Course & Aging, University of Toronto**. The initiative was led by Prof. Lynn McDonald and was held on 5.20.14 in Toronto.

Training Programs

Caspi E. (2017). Eight 3-hour staff training sessions on prevention of distressing and harmful resident-to-resident interactions in dementia in long-term care homes. Delivered on March 13-15 in **Thunder Bay** and March 29-30, 2017 in **Kenora** and **Fort Frances**. Invited by Alison Denton, manager, Regional Behavioral Health Services for Northwestern Ontario with St. Joseph’s Care Group, Thunder Bay, Ontario, Canada.

Caspi, E. (2016). Fighting for dignity: Prevention of distressing and harmful resident-to-resident interactions in dementia in long-term care homes. Presentation delivered on 9.13.16 for **LeadingAge Kansas's Joint Provider/Surveyor Training**. Wichita, KS.

Caspi, E. (2016). Fighting for dignity: Prevention of distressing and harmful resident-to-resident interactions in dementia in long-term care homes. Presentation delivered on 9.14.16 for **LeadingAge Kansas's Joint Provider/Surveyor Training**. Topeka, KS.

Caspi, E. (2016). Fighting for dignity: Prevention of distressing and harmful resident-to-resident interactions in dementia in long-term care homes. Presentation delivered on 10.12.16 as In-Service Annual Training for 165 Surveyors and Supervisors of the **Minnesota Department of Health** (such as Health Regulation Division, Licensing and Certification, Office of Health Complaints, Home Care & Assisted Living Program). The Long-Term Care Ombudsman staff are also invited to attend this presentation. The presentation is **sponsored by Orfield Labs Inc.** (Steve Orfield), Minneapolis, MN.

Caspi, E. (2012). Providing dignified bathing experience and preventing resistance to care among nursing home residents with dementia. In-service training delivered on 11.29.12 at St. Anthony Park Home, St. Paul, MN.

2011 (June). Developed and delivered two training programs (3-hours each) to the care staff (nurse aides, nurses, social workers, occupational therapists) of a special care unit and nursing unit at Mishan Neot Afeka, Tel Aviv, Israel. Topics: Approaches to care for elders with dementia; communication techniques; and psychosocial strategies for prevention of behavioral expressions in residents with dementia.

Spring 2011. Developed and led a dementia-specific training program (12 hours; 10 learning units) to 33 nurse aides and nurses. Topics: Background on dementia, communication techniques, care approaches, prevention of behavioral expressions. Tzahalon Geriatric Center, Jaffa, Israel. Participants' satisfaction survey: average score 3.9 on a scale of 1-4.

Caspi, E. (2011). Aggressive behaviors between residents with memory loss in an assisted living residence. Training delivered on 12.1.11 at Compass on the Bay Memory-Support Assisted Living, Boston. MA.

Caspi, E. (2010). Aggressive behaviors between elder residents with memory-loss in an assisted living residence. Training delivered on 12.12.10 to the interdisciplinary team of the Psychogeriatric Day Center, Ichilov Hospital, Tel Aviv, Israel.

Caspi, E. (2003). Validation Therapy: Alzheimer's-specific communication techniques.

6.12.03 – Social workers of the Department for Welfare of Elders, Municipality of Ramat Gan, Israel.

10.14.03 – Social workers of the Department for Care of the Elder Population, Municipality of Kfar-Saba, Israel. Co-presented with Koren, C.

2.12.03 – Support group of family caregivers of elders with Alzheimer's disease. Alzheimer's Association of Israel, Ramat-Gan Chapter, Israel.

December 2002. Delivered a workshop (5 sessions) to the staff (nurses and nurse aides) based on the principles of Validation Method, a communication method for old people with Alzheimer's disease. Tzahalon Geriatric Center, Jaffa, Israel.

2000 – Trainer. Home for the Aged in Tel Aviv, Israel. Delivered a 5-session workshop on prevention of conflicts between elder residents with low-income.

2.2.10 – Assisted Living for persons with memory-loss (dissertation study site).

Caspi, E. (2010). Overview of methods used in a direct observation study on agitated behaviors in dementia. Talk given on 2.11.10 at UMass Boston Qualitative Methods Course. Instructor: Donna H. Freidman, Ph.D.

Caspi, E. (2010). Care staff strategies for managing emotions among elder residents with memory-loss. Talk given on 2.11.10 at the UMass Boston's Qualitative Research Methods Workshop.

Caro, F. & Caspi, E. (2007). Aging, active, and healthy: Insights from the Massachusetts Lifestyle Study. Talk given on 5.9.07 at Brookline Senior Center, MA.

Research

2010 – Project BRAVO (Baycrest Research About Volunteering in Older Adults). As part of a postdoctoral fellowship, developed and delivered a training program in qualitative interviewing to a group of seven leadership volunteers interviewers. Assisting with finalizing the qualitative interview guide. Supervisor: Dr. Thecla Damianakis (University of Windsor). Principal Investigator: Dr. Nicole Anderson, Kunin-Lunenfeld Applied Research Unit, Baycrest, Toronto, Canada.

2007 – 2010 – Preventing agitated behaviors and encouraging positive emotions among elders with memory-loss in an assisted living residence. Conducted a 10-month qualitative dissertation study. Setting: two special care units for persons with memory-loss. Data collection: Direct observations complemented by review of clinical records and semi-structured interviews with direct care staff and managers.

2006 – Secondary data analysis of the Health and Retirement Study under the instruction of Frank Porell, Ph.D. and Nina M. Silverstein, Ph.D. Study entitled: Physician outpatient contacts and hospitalizations among cognitively-impaired elderly.

2004 – 2008 – Research Assistant, UMass Boston, Department of Gerontology. Project: Motivation for productive aging. Duties: Literature review, development of item content for surveys, survey administration, and assistance with analysis. PI: Frank Caro, Ph.D.

2002 – 2003 – M.A. Thesis: Illness representations and their relationship with burden of care among 100 primary family caregivers of community-residing persons with dementia. University of Haifa, directed by Perla Werner, Ph.D. English abstract available at (once logged on [it might take 30 seconds to open], scroll down to the last 3 pages): http://digitool.haifa.ac.il:80/webclient/DeliveryManager?pid=502106&custom_att_2=simple_viewer

2002 (Aug – Nov) – Research Assistant, University of Haifa, Department of Gerontology. Evaluation of a support group for people in early-stages of Alzheimer’s disease. The first group in Israel. Duties: observation and documentation of group meetings, phone interviews with the study participants, content analysis, and summary of findings. PI: Perla Werner, Ph.D.

Reviewer of Research Grant Applications

Another Look: Better Health for Elders in Care Facilities. The Donaghue Foundation. West Harford, CT. November 16, 2015; August 23-24, 2016; September 11-12, 2017. Chair: Dr. Mary Jane Koren.

Qualitative Research Workshop

Archival Blog

The International Center for Prevention of Distressful and Harmful Resident-to-Resident Interactions in Dementia in Long-Term Care Homes:

Launched in April 2012. The blog aims to raise awareness to and provide resources for prevention of the public health problem of resident-to-resident negative interactions in dementia in long-term care homes. Visitors are invited to ask questions and/or share resources. To access the over 2,000 free resources posted on the blog, go to: <http://eiloncaspiabbr.tumblr.com>

Other

Trained as a “Dementia Champion” on 6.4.2014. Act on Alzheimer’s, St. Paul, MN.

Film screening – The Country Side of Care

February 15 2017. Together with Stacey Spencer, from Jewish Family & Children Services of Minneapolis, I helped organize and facilitate the 2nd screening of the film *The Country Side of Care* in Minnesota. About 50 people mostly professionals working with people with disabilities and those working with elders attended the event.

Dec 13 2016. Organizes and facilitated the 1st small screening of the *film The Country Side of Care* in Minnesota. Producer: Sanne Hijlkema. The film describes the Lifeside Care Farming program in Montana (founded and run by Maarten Fischer). The event was hosted by Annette Sandler, director of Aging Services at Jewish Family & Children Services of Minneapolis.

Course Taken

Land Stewardship Project’s Farm Beginners’ Class. Completed this course (9 sessions) in Amery, WI in October 2016. I took this course in order to collaborate with farmers on development and implementation of Care Farms for people with dementia.

Varsity Team

1998 – Tel-Aviv University Volleyball Varsity Team.

Hobbies

Beach volleyball and woodcarving (carving brain hemispheres and educational signs such as *SEE ME Not My Dementia*). All my carvings are done only with hand tools (without power tools). **My latest carved brain hemisphere** made out of Mahogany is permanently **displayed at the Cushing [Brain] Center, Yale University** Medical Library: <http://library.medicine.yale.edu/cushingcenter> A professional image of the brain hemisphere has been published in *Woodcarving Illustrated* 2016 Summer issue and is also on permanent display in a large poster format at the headquarters of the American Academy of Neurology, Minneapolis MN (across the street from the Guthrie Theatre).

Caspi, E. (2016). “Mind Over Matter” - Wood Carved Brain Hemisphere and Its Potential Practical Value for Family and Professional Care Partners. **Video Recorded** Interview with Lori La Bey, founder of Alzheimer’s Speaks, Conscious Caring Resources TM
